Disclosure Statement

Dear Patient:

Due to the many changes in insurance policies, it is no longer an easy task to interpret each individual policy. Although we try to stay aware of these changes, it is not always possible. Therefore, we urge you, as the patient, to please check with your insurance company prior to beginning physical therapy services. It is your responsibility to know your individual coverage. Failure to comply with this suggestion could result in you, the patient being responsible for all costs incurred. Please remember— your insurance policy is between you and your insurance company not between the insurance company and your health care provider.
